

WORKSHOPS

PROGRAM SCHEDULE

Generation Open

20 MONDAY

OCT *A beginner's guide to Open Access*

10:00 - 11:00am
Room: 4G

The Open Access model has become an established part of the scholarly publication landscape. This Q&A session will introduce you to the key concepts and terms used in Open Access publishing, and give you the opportunity to ask any questions you may have.

PRESENTERS: DR BELINDA TIFFEN & SCOTT ABBOTT

Introduction to the UTS Open Access Policy

2:00 - 3:00pm
Room: 4G

The University of Technology, Sydney is committed to disseminating its research and scholarship as widely as possible. In this session we will look at the new UTS Open Access Policy, and how it will benefit researchers.

PRESENTERS: UTS LIBRARY & RIO

21 TUESDAY

OCT *Licensing and copyright for researchers*

12:00 - 1:00pm
Room: 4G

Copyright and licensing can be confusing and intimidating. Come along to this session and learn how to protect your rights as a creator/author and how to use creative commons licenses. We will also discuss considerations around using other people's work in your research and teaching. Attendees are encouraged to bring your own questions for our panel of experts.

PRESENTERS: MATTHEW NOBLE, DAVID LITTING & NADINE THORPE

22 WEDNESDAY

OCT *Finding Open Data for your research*

12:00 - 1:00pm,
Room: 4H

Join us for a hands-on workshop where you will find out why open data is such a hot topic. Get a glimpse of what linked open data can achieve, learn how to share your own data or source data from other researchers, and contribute to the conversation about data ethics and data citation.

PRESENTERS: INFORMATION SERVICES LIBRARIANS

The Internet's Own Boy FREE FILM SCREENING

5:00pm Refreshments
5:30pm Talk & Screening
Room: 4G

The story of programming prodigy and information activist Aaron Swartz who aggressively fought for free information access. This film is a personal story about what we lose when we are tone deaf about technology and its relationship to our civil liberties.

RUNNING TIME: 1HR 45 MINS

23 THURSDAY

OCT *Open Access for Early Career Researchers*

11:00 - 12:00pm
Room: 4G

Open Publishing, Open Science and Open Data provide Early Career Researchers with opportunities to promote and increase the impact of their research. In this session, we will look at what you need to know about Open Access and discuss common concerns about sharing your work whilst trying to advance your career.

PRESENTERS: INFORMATION SERVICES LIBRARIANS & RIO

24 FRIDAY

OCT *How to go Open Access: What you should know about OA Publishing*

11:00 - 12:00pm
Room: 4G

In this hands on workshop you will learn how to locate Open Access journals, check citation rates and deposit your work in the universities repository.

PRESENTERS: INFORMATION SERVICES LIBRARIANS

Open Access: Why it must win, and how it will win FREE PUBLIC TALK

12:00 - 1:00pm
Learning Commons
Level 3

Alex Holcombe is an Associate Professor of Psychology at the University of Sydney and Co-Director of the Centre for Time. For the scholarly journal *Perspectives on Psychological Science*, he co-edits Registered Replication Reports, a new type of article for which open access and open data form an integral part. He was a member of the founding advisory board of PLoS ONE, and participates in several other initiatives to address aspects of scholarly publishing that he believes to be antiquated and hinder scientific progress.

GUEST SPEAKER: ALEX HOLCOMBE, ASSOCIATE PROFESSOR

20th - 26th
October
