
2014 Research Workshops

PART 01: Find Information

02 APR–30 APR

PART 02: Manage Information

29 APR–03 JUN

PART 03: Promote your Research

11 JUN–09 JUL

UTS:
Library

01: Find Information

Our first series of seminars and workshops will help build advanced skills in locating, retrieving and evaluating information for your research. The first session provides an overview of resources and services available, and is the perfect place to bring along tricky questions. It will be followed by a series of workshops that will give you hands-on experience using the tools and resources mentioned in the seminar.

SESSION NAME	SESSION TYPE	DATE AND TIME	ROOM
01. Finding literature and research data: tricks and tips SEE MORE	SEMINAR	1-2pm, Wed, 2 April	CB02.05.38
02. Finding company and industry information SEE MORE	WORKSHOP	1-2pm, Thurs, 10 April	CB04.03.25A B
03. Finding statistical data SEE MORE	WORKSHOP	1-2pm, Tues, 15 April	library training room 2
04. Finding research data and open access resources SEE MORE	WORKSHOP	1-2pm, Wed, 23 April	CB04.03.25A B
05. Advanced database searching SEE MORE	WORKSHOP	Various	Various

02: Manage Information

We've heard from you that staying organised and keeping up to date with new information is one of the big challenges for researchers. In our second series we are going to focus on strategies and resources you can use to stay on top of everything. Our first seminar will give you an overview of the resources and strategies we recommend, and will be followed by workshops and seminars that will go into each of them in more detail.

SESSION NAME	SESSION TYPE	DATE AND TIME	ROOM
06. Staying organised and up to date SEE MORE	SEMINAR	1-2pm, Tues, 29 April	CB04.02.31
07. Staying organised with EverNote SEE MORE	WORKSHOP	1-2pm, Thurs, 1 May	CB04.03.25A B
08. Keep up to date SEE MORE	WORKSHOP	1-2pm, Tues, 13 May	CB04.03.25A B
09. Collaborative tools for researchers SEE MORE	SEMINAR	1-2pm, Wed, 21 May	CB02.05.38
10. Avoiding plagiarism and referencing SEE MORE	SEMINAR	1-2pm, Thurs, 29 May	CB02.05.33
11. EndNote: tricks and tips SEE MORE	SEMINAR	1-2pm, Tues, 3 June	CB04.02.31
12. EndNote for researchers SEE MORE	WORKSHOP	Various	Various
13. Advanced EndNote SEE MORE	WORKSHOP	Various	Various

03: Promote your Research

Our third series of Research Workshops will focus on building your reputation as a researcher and promoting your research. Our first seminar session will discuss how research is measured and the strategies you can use to improve that measurement, and is followed by hands-on workshops to build your skills in these areas. This workshop series is relevant to all researchers no matter what stage you are in your career.

SESSION NAME	SESSION TYPE	DATE AND TIME	ROOM
14. Finding and Clipping Video Resources SEE MORE	WORKSHOP	1-2:30pm, Wed, 4 June	Library Room 4F
15. Building your reputation SEE MORE	SEMINAR	1-2pm, Wed, 11 June	CB04.02.31
16. Finding conferences and funding opportunities SEE MORE	WORKSHOP	1-2pm, Thurs, 19 June	CB04.03.25A B
17. Twitter for researchers SEE MORE	WORKSHOP	1-2pm, Wed, 26 June	CB04.03.25A B
18. Blogging for researchers SEE MORE	WORKSHOP	1-2pm, Thurs, 27 June	CB04.03.25A B
19. Where should I publish? SEE MORE	WORKSHOP	1-2pm, Tues, 1 July	CB04.03.25A B
20. Show the impact of your research SEE MORE	WORKSHOP	1-2pm, Wed, 9 July	CB04.03.25A B
21. Identity management SEE MORE	WORKSHOP	1-2pm, Thurs, 17 July	CB04.03.25A B
