EBSCO Databases (e.g. CINAHL, PsycINFO, Medline Full Text)

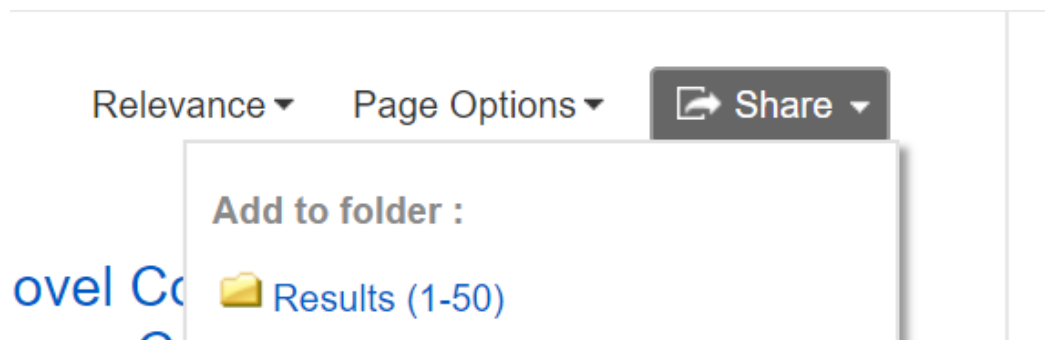

Maximum download: 200 (or up to 25,000 via email link)

How to download up to 200 references:

Step 1: Select page options > select 50 results per page

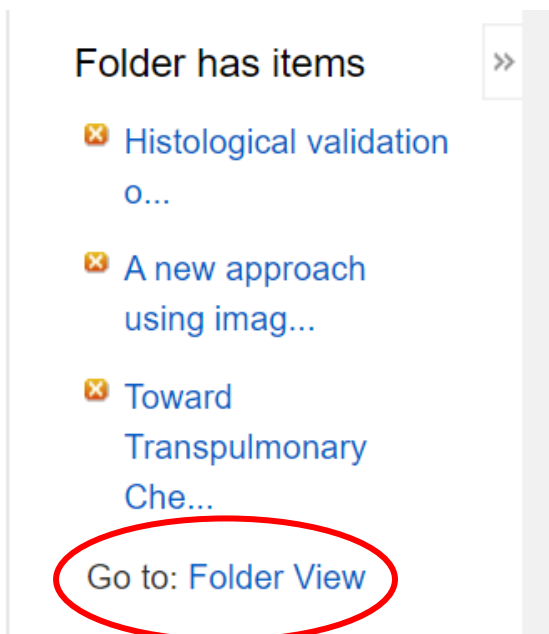

Step 2: Choose Share and select all on page (1-50)

Go to the next page and repeat the process until you have selected 4 pages worth of records (200)

Step 3: When finished, go to folder view on the right of screen

Step 4: Select all in folder

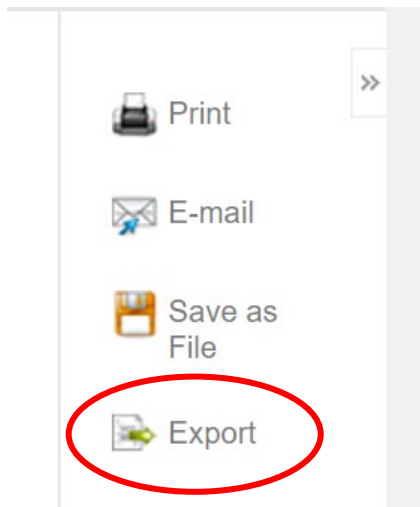

Articles

1-50 of 200

Page: 1 2 3 4

Step 5: Click the export icon on the right of screen

Step 6: Select Direct Export in RIS format

Save citations to a file formatted for:

- Direct Export in RIS Format (e.g. CITAVI, EasyBib, EndNote, ProCite, Reference Manager, Zotero)

Step 7: Press the save button (you can also tick the 'remove items from folder after saving' button)

Number of items to be saved: 200

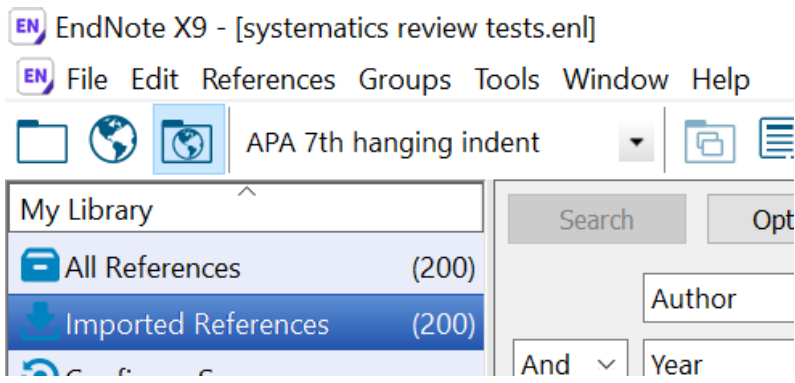

- Remove these items from folder after saving

Save

Step 8: An RIS file will go into your downloads area. Open it

Step 9: Success!

To send email file in EBSCO (up to 25,000 references):

Step 1: Go to share>email a link to download exported results (up to 25,000)

Relevance ▾ Page Options ▾ Share ▾

Add to folder :

- Results (151-200)
- Add search to folder: lung

Create an alert :

- E-mail Alert
- RSS Feed

Use Permalink :

Persistent link to search (copy & paste)

<https://www-lib-uts-edu-au.ezproxy.lib.u>

Export results :

- E-mail a link to download exported results (up to 25000)

Step 2: Complete the email form and tick RIS export

The record export may take some time. You will be notified via e-mail once the export is complete. Thank you for your patience.

E-mail from: <input type="text" value="david.litting@uts.edu.au"/>	E-mail a link to a file with citations in: <ul style="list-style-type: none"><input checked="" type="radio"/> RIS Format (e.g. CITAVI, EasyBib, EndNote, ProCite, Reference Manager, Zotero)<input type="radio"/> Generic bibliographic management format<input type="radio"/> Citations in XML format<input type="radio"/> Citations in BibTeX format<input type="radio"/> Citations in MARC21 format
